Re: CS Docket No. 97-80

Dear Ms. Dortch:

On Tuesday, February 1, 2005, Al Mottur, of the law firm Brownstein Hyatt Farber, Robert Sachs, President and CEO of the National Cable & Telecommunications Association, Diane Burstein, Deputy General Counsel, and I met with Commissioner Michael J. Copps and Jordan Goldstein, Senior Legal Advisor to the Commissioner. During the meeting, we discussed why the July 2006 ban on cable operator deployment of integrated set-top boxes should be eliminated. The discussion reflected the arguments previously made by NCTA and others in written submissions in the above-referenced docket.

Sincerely,

/s/ Neal M. Goldberg
